

1.10 Matching adjectives and nouns

Topic: Animals

Subtopic: Mammals

Activity type/skill: Collocation

Literacy focus: Vocabulary

Objective

- Recognise the environment in which words usually occur.

What you need

- Student worksheet (see next page)

What to do

1. Work through the first set of words at the top of the student worksheet with the students and tick the nouns that work with the adjective.
2. Encourage them to ask themselves: 'Does it sound right?'
3. Have students work alone or in pairs to complete the rest of the activity.
4. Compare answers and decide which are correct.
