

1.12 Tell me about mammals

Topic: Animals

Subtopic: Mammals

Activity type/skill: Describing pictures

Literacy focus: Vocabulary

Objective

- Produce target vocabulary in new contexts.

What you need

- Student worksheet (see next page)

What to do

1. Have students work in groups.
2. Each student takes turns to point to a picture on the student worksheet and then point to another student who must say something about the picture, for example: 'Cows live in New Zealand', 'A cow is a mammal'. Phrases are acceptable, for example, 'female lion', 'mother and father'.

Extending the activity

- Talk about other pictures.
