

2.32 Time markers

Topic: Shapes
Subtopic: Lines
Activity type/skill: Ordering instructions
Literacy focus: Listening
Genre: Instructions

Objective

- Recognise time order and time markers in spoken instructions.

What you need

- Student worksheet (see next page)
- Audio track 2.32a
- Audio track 2.32b
- Audio track 2.32c

What to do

1. Look at the top of the student worksheet and discuss the words used to describe the order to do things.
2. Play track 2.32a (Track 10 for this topic). Have students listen and write the numbers 1–5 in the boxes to show the correct order of the instructions.
3. Compare and discuss results.
4. Play track 2.32b (Track 11 for this topic). Have students listen and write the numbers 1–5 in the boxes to show the order of the words as they hear them.
5. Compare and discuss results.
6. Play track 2.32c (Track 12 for this topic). Have students listen and write the next word they hear.
7. Compare and discuss results.

Answers:

Look at the creases formed

5

Fold it in half in the other direction

3

Open it and flatten it

4

Take a sheet of paper

1

Fold it in half lengthwise

2

Then

2

 First

1

 Finally

5

Next

3

 After that

4

Then fold First take Finally look
Next open After that open

Activity thirty-two

Listening to instructions

Listen for signs that tell you **when** to do things

- Listen for the **order.** Always do things in the order you are told.
- Listen for **time phrases**

First draw a square...

Next draw a triangle

Then draw a parallelogram.

After that colour in all the shapes.

Finally complete the picture in any way you like.

Track 10

Look at the creases formed.

Fold it in half again in the other direction.

Open it up and flatten it.

Take a sheet of paper.

Fold it in half lengthwise.

Track 11

Then

First

Finally

Next

After that

Track 12

Then _____

First _____

Finally _____

Next _____

After that _____
