

3.7 Listening to pictures – vegetables

Topic: Plants
Subtopic: Growth
Activity type/skill: Word/picture matching
Literacy focus: Vocabulary

Objective

- Recognise target vocabulary in a new context.
- Listen to extended texts.

What you need

- Student worksheet (see next page)
- [Audio track 3.7](#)
- [Plants vegetable cards](#)

What to do

1. Look at the pictures on the student worksheet and talk about the vegetables:
 - What part is eaten?
 - Do the learners eat them?
 - Do they grow in the learners' countries?
2. Explain that that they will hear a description of the pictures and need to write a number in each circle.
3. Play track 3.7 (Track 3 for this topic).
4. Compare answers.

Answers:

8	2
4	7
5	3
6	1

Extending the activity

- Put the cut-out coloured vegetable cards on a table. One student must describe a card without giving the name of the vegetable. The others must guess which card they are talking about. The person who guesses correctly describes the next vegetable.
- Play card games with the vegetable cards regularly as you work through this topic.
