

## 1.66 Tell me about molluscs

**Topic:** Animals

**Subtopic:** Molluscs

**Activity type/skill:** Describing pictures

**Literacy focus:** Vocabulary

### **Objective**

- Produce target vocabulary in new contexts.

### **What you need**

- Student worksheet (see next page)

### **What to do**

1. Have students work in groups.
2. Each student takes turns to point to a picture on the student worksheet and then point to another student who must say something about the picture, for example: 'Slugs are animals', 'Mussels have two shells'. Phrases are acceptable.

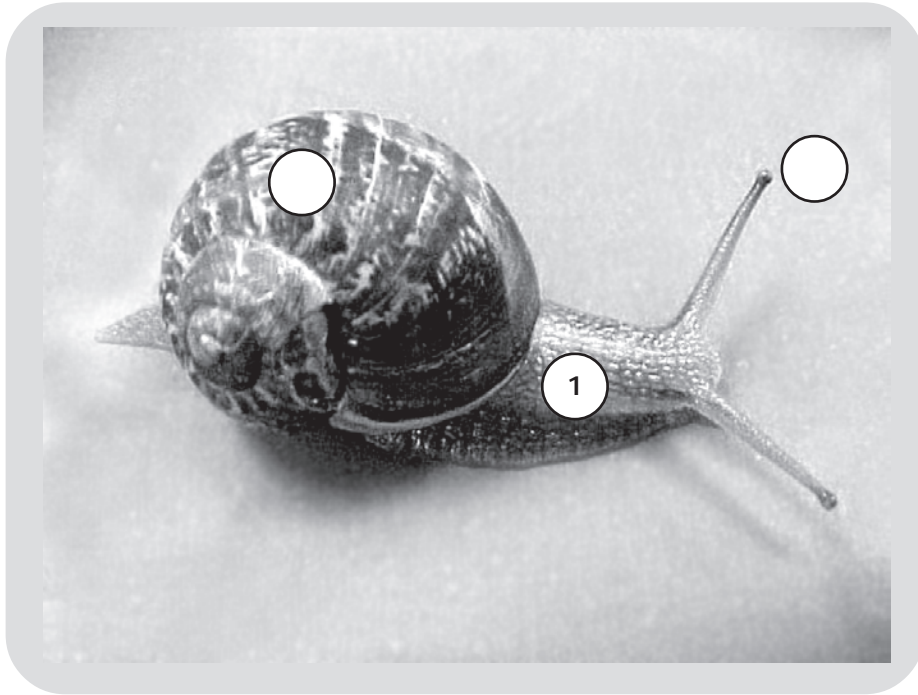

### **Extending the activity**

- Talk about other pictures.
