

2.10 Listening to pictures – prepositions

Topic: Shapes

Subtopic: 2D shapes

Activity type/skill: Word/picture matching

Literacy focus: Vocabulary

Objective

- Process the meaning of prepositions and prepositional phrases.

What you need

- Student worksheet (see next page)
- [Audio track 2.10](#)

What to do

1. Look at the student worksheet and explain to students that the star is in a different place in each picture. They must listen, decide which picture is being described and write the number they hear in the box beside that picture.
2. Play track 2.10 (Track 4 for this topic).
3. Compare answers.

Answers:

7	5
4	10
1	2
6	9
12	11
3	8

Activity ten

Track 4
